Dear IOPTPWH President,

### REQUEST FOR A RESOURCE PERSON

We the women's Health specialty group of the Nigeria Society of Physiotherapy (WHSP-NSP) hereby request the honor of a capable resource person from this noble house of the international organization of Physical Therapists in Pelvic and Women's Health (IOPTPWH) for our training in Nigeria slated to hold between 17<sup>th</sup> and 20<sup>th</sup> March 2020, at the University of Uyo Teaching Hospital (UUTH), Uyo Akwa Ibom State.

This request is brought to you believing that we can get a reputable and willing specialist in Women's Health Physiotherapy to take up the training. We need a professional hands-on training for this specialty group and there is paucity of such professionals among Nigerian Physiotherapists. Training is biannual. Kindly search among the IOPTPWH members and give us a feedback.

An interested resource person is expected to:

- i. Send in the course outline/contents
- ii. Cost of the training in Nigeria
- iii. Other logistics

She should contact us through this email for any other information or necessary changes that may come up.

Thank you.

.....  
**Dr. Anikpe, Jane Nwanneka**  
(Training Coordinator)
